EXPERIENCE

Personal & Online Coach — Independent 2011 — Present

“90-Day Challenge” programme

- Designed individual training and nutrition programmes from each client's own measurements and goal — 1,200+ clients to date.
- Ran weekly check-ins, adjusting calories and training load against measured response.
- Built a three-phase 90-day transformation programme: foundation, change, consolidation.
- Handled specific cases including lower-back pain, fat loss and weight gain / hypertrophy.

Personal Trainer Al-Mohtarefoon Gym

- Delivered one-to-one and group training; supervised exercise execution and movement safety.
- Prepared athletes for bodybuilding competition across several categories.

Personal Trainer Gymnasium

- Built training plans spanning beginner to advanced levels.
- Tracked client measurements and reviewed progress on a regular cycle.

COMPETITIVE RECORD

- Saudi Arabia National Champion — bodybuilding, 172 cm class.
- Coached competing athletes across different height and weight categories.

CONTENT & REACH

- Verified Instagram account @coach_neez — **228K followers**, 758 educational posts.
- Content covering training technique, nutrition and supplementation, and correcting common fitness misconceptions.
